

STAFF 1:1 Technology FAQ	
When will students pick up computers?	<p>Tuesday and Wednesday: Distribution at the textbook room- arrive on the PARKING LOT SIDE and exit on the B Building side</p> <p>Students must have/know their ID Number- Teachers bring a roster with name and ID (provided) just in case</p> <p>Absences / No Shows- treat like a “textbook” and they can pick up after school, nutrition, lunch</p>
How do students log in? What if they forget their password	<p>Log In: ID #@oxnardunion.org PW: Existing Password</p> <p>New / 9th graders will use their birthday - MMDDYYYY (example if opening day is your birthday it would be 08272019)for the FIRST time and be prompted to change their password</p> <p>Need to Reset? Teachers can access Password Reset Page from a district device</p>
What do students receive?	<p>Chromebook Acer 751, however we will distribute repurposed Chromebooks from existing COWs/CARTS Case (3 options, while supplies last) WiFi HotSpots (based on Free and Reduced Lunch Forms)- will be available at the textbook room and checked out like a textbook</p>
What do students have to sign? Do parents sign? *teachers can pull a report off of Synergy for AUP	<p>The AUP update is required annually. Online Enrollment automatically includes this (Frosh); however, all other students MUST UPDATE either via ParentView or paper version. AUP is due within the first 2 weeks-no AUP by Sept 6- internet access is removed. Alludo DIGITAL CITIZENSHIP is also offered.</p>
What is the ‘use expectation’? #FailForward #LiveInBeta #GettingGoogley	<p>Raiders strive to integrate Technology to enhance, improve, engage and stimulate the learning environment for all students to elevate their educational experience and skills in order to prepare them to live and work in a global community.</p> <p>Therefore, the challenge of educators is to equip students with knowledge, skills, and values that will enable them to live effectively, productively, and enjoyably in our continuously changing world. Inherent is the intent to help each student reach his/her full potential as a human being.</p>
What do we expect to see?	<ol style="list-style-type: none"> 1. Integrate a Learning Management System 2. Utilize a Student Response System 3. Collaborate and Create - PBL
Potential Damage / “issues”?	<p>Go to the TEXTBOOK WINDOW Describe the “issue” Favi will create a HELP DESK TICKET and log into Synergy David Lin will assess and proceed with next steps Loaner (if available) will be checked out until repairs completed</p>
If a student forgets their	Collaborate! #LiveInBeta

chromebook?	Loaners (if available) can be checked out IF NECESSARY.
What if a student forgets their chromebook multiple times?	Have you called home? Have you checked in with administration? Is it out for repairs? What is the status of the chromebook? Communicate with admin so that they can follow up and proceed based on the situation.
What about theft?	Devices are insured, but students will need to make a POLICE REPORT regarding theft and supply a copy to administration so that we can move forward.
What if we have “tech failures”? (IE: Network Issues)	#LiveInBeta and #FailForward - Plan B because there will be hiccups. Current Network and Infrastructure is being upgraded to handle the devices. Over the last year, the WiFi bandwidth and infrastructure is set to handle all of the devices. Each room has an access point (looks like a little box).
“Losing time in class”	Creating and teaching new routines will take time, but procedures will become second nature and your time in class will actually become more productive. #LiveInBeta and #FailForward
What about charging?	Cart Charging Stations are located at PE and the Library. Each room will be given a charging station / tower.
How does a student PRINT?	Have a plan in place- they will have to log in at desktop in order to print.
GoGuardian	GoGuardian - site where teachers can view and monitor what students are accessing on their chromebooks during class time (take screenshots, open/close tabs) . Teachers can block certain sites, force sites, chat with students, and receive activity summaries at the end of each class session.
Student Device FAQ	Can they sticker it- YES, as long as it is APPROPRIATE FOR SCHOOL - if students have stickers that are not appropriate for school, please start a conversation and feel free to discuss with admin. They will take them home for summer. They will be given the OPTION to purchase the device senior year They CANNOT take the device when leaving the OUHSD or transferring to any sites that are not HHS, FHS, OMCOA.
PBIS / Discipline	Tier 1 (in the class- teacher managed): No device; dead battery; Off task work; “horseplay” Tier 2 (in the class, communicate with stakeholders, NO OFFICE ACTION Req’d referral): Consistent Tier 1 issues causing a direct impact on student learning and/or instruction Tier 3 (Office Action): Intentional destruction or abuse of privilege.
Discipline Procedures	NO AUP form or unacceptable use of the internet = denied access and device may be revoked. If students lose the privilege of full use of the Chromebook, there may be the option to have a day use agreement based on situation and need. Situations will be reviewed on a case by case basis in order to determine the appropriate consequences.
